

Technical Service Specialist (m/w/d) (Hankook Tire Europe)

Hankook Tire manufactures globally innovative, award-winning radial tires of proven superior quality for passenger cars, light trucks, SUVs, RVs, trucks, and buses as well as motorsports (circuit racing/rallies). Hankook Tire's European Headquarters is located in Neu-Isenburg near Frankfurt am Main in Germany. The manufacturer operates further branches in Czech Republic, France, Germany, Hungary, Italy, the Netherlands, Poland, Russia, Spain, Sweden, Turkey, UK, and Ukraine. Hankook products are sold directly through regional distributors in other local markets. Hankook Tire employs approximately 20,000 people worldwide and is selling its products in over 180 countries. Internationally leading car manufacturers rely on tires made by Hankook for their original equipment. Approximately 30 percent of the company's global sales are generated within the European and CIS-Region. Hankook Tire has been represented in the renowned Dow Jones Sustainability Index World (DJSI World) since 2016.

The following position is to be filled at our European Headquarters, located in Neu-Isenburg near Frankfurt am Main, as soon as possible:
